Mr Dee's Wish List/Angel's Fund Update

In July last year, I sent out a letter as a response to many parents asking how they could support the school. I am pleased to announce that to date the Friends of Hurstbourne Tarrant Primary School have raised £3843. One donation was made explicitly to cover the cost of the Flowol 4 software which has already been used by Autumn Class. Mrs Ellis will soon be using the software in Winter Class. Another donation was specifically for the cricket whites. These have now been purchased and we are waiting for the order to arrive. The rest of the money will be used to purchase a new CleverTouch Interactive Whiteboard for the hall. This means that these items have been removed from the wish list. I would like to thank everyone who has donated to help towards buying resources for the school - your help is hugely appreciated!

As a result of this generosity, I have been asked to create an updated wish list that would further enhance the provision at Hurstbourne Tarrant. If you feel that you would like to become an 'Angel' and contribute towards the items below, you can do so by contacting the 'Friends of Hurstbourne Tarrant'. Donations can be made with discretion and donors have the flexibility to donate at any stage through the year. If you do donate, please could you email the Friends so that they can claim Gift Aid. Gemma Coombes is also setting up a 'Just Giving Page' as well. All donations will be kept confidential unless you indicate otherwise.

1. Digital SLR cameras for each class. £300 each.
2. 8 berth bike shed. £580
3. Flow Go Control Interface £60

If you are interested in helping, please email the Friends at hbtfriends@gmail.com

Alternatively, please feel free to talk to me.

Thank you as always for your ongoing support.
